Dear Examiner Sackey:

Attached are marked up copies of claim 1 and 27 showing the proposed amendments we discussed. These amendments, which do not change the scope of the claims, change the definition of A3 to be NH or O. As a result, the recitation that NH-G2 forms urea becomes unnecessary and thus is deleted. Support for these change can be found throughout the disclosure. See, e.g., page 6, lines 3-4; page 7, lines 28-29; page 9, lines 4-10; page 9, lines 24-26; page 11, lines 11-16; page 13, lines 7-14; and page 14, lines 1-3.

Best regards,

Brion P. Heaney
